Blooming Glen Contractors (BGC) has been BUILT ON TRUST since 1973.

From humble beginnings as Blooming Glen, Pennsylvania's local excavator, we have since grown to become one of the region's premier heavy civil contractors. With capabilities that include complete turnkey construction of multi-acre site and land development projects, reconstruction of the tri-state's infrastructure systems including, interstate roadways, multi-span bridges, airports, and construction and maintenance of the region's critical water and wastewater systems, **BGC** is the name to trust.

Our current portfolio is divided into **Core** and **Associated** support-type **Services**. These categories are further subdivided by heavy civil construction sector served and material type to either be recycled or managed.

Welcome, explore and experience BGC!
